## 10. Administrator's Report

Administrator Anthony began his report by giving Council an update on the following:

✓ **Facilities:**

**EOC/Communication Center:** Architectural firm and Civil Engineering sub-contractors have developed preliminary site plans and internal layout. The next step in the process is the development of completed plans and specifications for the facility. We hope to be 'moving dirt' by the fall of this year.

**Turbeville Fire Station:** Construction continues at a very brisk pace. We are expecting that the certificate of occupancy (CO) be issued in April.

**Public Works, Fleet Maintenance, Animal Control:** The contract with Hawkins & Kolb has been finalized. We're making some site layout changes involving retention ponds but it should be moving forward again soon.

**SCIIP Grant:** Drilling of a test well has started and we're finalizing contract with above ground storage tank firm. Easement letters have gone out as well. Bid packages for the water mains and lines should be going out soon.

**Weldon Auditorium Renovations:** renovation plans and bid documents are being prepared.

**Fire Station on MW Rickenbaker Road, Station #10:** With the recent appropriation from the State for a replacement fire station on M.W. Rickenbaker Road, Station #10; Bids are being received, and we are looking to reward the contract next week.

✓ **Other:**

**Turbeville Library:** The project architect has solicited a new civil engineering firm to perform site plan and project is again moving forward. We are setting up a site visit hopefully for next week.

**North Shore Summerton Development Project:** Engineering design and site work are moving forward as well.

**Law Enforcement Joint Training Facility:** The Memorandum of Understanding (MOU) with the City of Manning, Sheriff's Department, and the County to build the facility has been approved, Authorization has been received from the City regarding designs and bids are being prepared now for the building. Work on the actual firing range has begun.

**Newman Branch Restoration Projects:** An Environmental Engineering Firm has been selected and scope of project parameters for the Newman branch restoration project are being developed. Conversations with impacted property owners should have begun.

✓ **Recreation:**

- Basketball season is finishing up.
- Baseball and softball registration is closed, and we look forward to the games starting soon.
- The unfortunate situation at Taw Caw park over the holidays regarding the fire last month, our repairs have nearly been completed.
- We are continuing to rent out Weldon Auditorium with three events already scheduled this month.

✓ **Miscellaneous:**

- Our county offices will be closed Monday, February 17th for Presidents Day.
- I would like to thank our staff, SC DOT and all of our first responders for their efforts in reference to the winter storm two and a half weeks ago. Also, special thanks to our citizens for staying safe.

## 10. Chairman's Report

Chairman Johnson stated that he would like to thank everyone for helping him and Councilman Rodine. He stated that they are coming along and it's not as bad as some people made it out to be. He also thanked Lynden Anthony and Sharmane Anderson for their help.

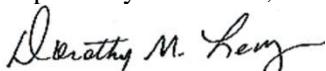

## 11. Adjourn

Chairman Johnson stated that we have come to the end of our agenda and he asked for a motion to adjourn the Council Meeting.

On motion by Councilman Richardson and Seconded by Vice Chairman Coker, Council voted Unanimous Approval to adjourn the Regular Council Meeting.

The Council Meeting adjourned at 6:42 pm.

Respectfully Submitted,
